

Extend your summer garden into fall with
Fall Transplant Trays

Broccoli, Cauliflower, Collards, Kale, Lettuce, Swiss Chard**

Available in 38 & 50 plant trays

Fall is a great time of year for planting veggies! The soil is warm and the summer pests and weeds are beginning to slow their pace. Many vegetables actually taste better when harvested in the fall's cooler weather.

38 plant tray - \$28.⁵⁰ (\$38 value)

50 plant tray - \$37.⁵⁰ (\$50 value)

(**Varieties may vary. All varieties suited for fall planting)

Feed the soil that feeds the plant that feeds you!
